TOWN MEETING WARRANT

State of New Hampshire

To the inhabitants of the Town of Bath qualified to vote in town affairs. You are notified to meet at the Town Hall in Bath on Tuesday, March 12, 1968 at ten o'clock in the forenoon to act upon the following subjects.

Article 1. To choose a Town Clerk, one Selectman for three years, one Trustee of the Trust Funds for three years, one Library Trustee for three years, a Treasurer, an Auditor, a Highway Agent, and all other necessary officers and agents for the ensuing year.

Article 2. To hear the reports of officers and agents heretofore chosen and to pass any vote relating thereto.

Article 3. To see how much money the Town will vote to raise and appropriate for Town Officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the poor, town Library, for old age assistance, for the protection of the public and all other necessary town charges and expenses for the ensuing year.

Article 4. To see if the town will vote to accept State Aid for the construction of Class 5 roads and to raise and appropriate or set aside the sum of \$940.03 and the State to contribute \$6,266.88 for the same.

Article 5. To see what action the town will take on the following question: Shall the provision of the laws relative to the playing games of beano be adopted in this Town.

Article 6. To see if the Town will vote to petition the Tax Commission to have an audit made by the

Municipal Accounting Division and to make an appropriation to cover the expense of such audit.

Article 7. To see if the Town will vote to administer or dispose of any real estate acquired by the Tax Collector's deed.

Article 8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 9. To see if the Town will vote to petition the Department of Public Works to make alterations to the entrance of High Street with Route 10 and 302 and authorize the Selectmen to pay for such expense as may be the responsibility of the Town.

Article 10. To see what action the Town will take in regard to a bill from the Bath Fibre Co. for hydrant for 1967 of \$500.00, and to raise and appropriate \$500.00 to pay the same.

Article 11. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 2nd day of February 1968.

Last year the State Aid grant of \$100.00 for reference books to each affiliated library proved invaluable to us; a second grant has been made for 1968, thus increasing substantially our reference resources.

When the John Simmons family moved to Florida, he gave nearly 500 books to the library; approximately half of which were duplicates and transferred to the Swiftwater branch, thus strengthening both collections. Others have donated books and hundreds of magazines. During the late summer, shelves were built in the room in back of the library, providing storage space for filing back copies of such magazines as "The Reader's Digest," "Time," "The Saturday Review," etc., those most commonly requested by junior and senior high school pupils for research papers and projects. Because of the cooperation and generosity of citizens of this community we are now able to render better service in meeting requests for all types of material.

We are greatly assisted by both the Bookmobile and the Littleton Extension Library, from which we borrowed 1489 books, as well as the State Library from which we requested dozens of non-fiction titles.

In September classes were held at the library for the seventh and eighth grades to help them learn to locate material for themselves; some of the older pupils make use regularly of the Card Catalogue and the Dewey Decimal System.

Mrs. Reed has attended the meetings of the District Council, set up for the improvement of library services, to which she is our library's delegate. We find the co-operative book-buying meetings held in Littleton several times a year to be most informative and worthwhile.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967. It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

STATE OF NEW HAMPSHIRE**Resources Division****Forest Fire Service****FOREST FIRE CONTROL REGULATIONS
FOR DISPOSAL SITES**

The following fire preventive regulations shall govern the establishment and use of public dumping facilities as defined in sections 23-30, chapter 147, RSA.

1. A fire line, consisting of a strip at least 8 feet wide, cleared to mineral soil, shall be constructed and maintained around the dump site to prevent fire from spreading into adjacent areas. The fire line shall be located not less than 50 feet nor more than 100 feet from the burn area.

Exceptions — Physical conditions — hedges, swamp, marsh, etc. — which, in the opinion of the local forest fire warden, and/or the district chief, make such fire line construction unfeasible.

2. All growth, including trees and brush, also slash, shall be removed from the area inside the fire line. Slash shall also be removed for a distance of 50 feet outside the fire line.

3. The area inside the fire line shall be burned over periodically whenever there is sufficient amount of grass, weeds, brush, debris and other inflammable material to communicate fire. Other areas (see exception in number 1 above) where fire line construction is unfeasible, shall also be burned over a distance of 100 feet from the burn area if it, too, bears a sufficient amount of such growth and material to communicate fire.

4. Burnable wastes material in the dump shall be either burned or covered often enough to keep the area safe.

5. Signs to be posted at the entrance stating days and hours that area is open to the public and any other regulations that the selectmen may see fit to post.

6. Access to be restricted by a gate or other suitable device which shall be closed and secured when the area is not open to the public.

7. On all burning dumps, an attendant must be on duty at all times while active burning is in process and when the ground is not covered with snow.

8. When a ban on open fires has been declared, dumps may only be burned at times of low fire danger and only when adequate protection is provided.

9. It shall be the responsibility of the local forest fire warden and/or the district chief to bring to the attention of the selectmen, mayors of cities of town and city managers any infraction of the foregoing regulations so that expeditious corrective action may be effected. Failure on the part of the selectmen, board of health or corresponding public officer to act upon these regulations will justify implementation of section 27 and 30, chapter 147, RSA.

During 1967, the Fire Department tried to develop its efficiency by obtaining through the State of New Hampshire, Department of Resources, on lend lease, a 1945 500 gal. per minute Seagraves Fire truck pumper. We also purchased one section (10') of 5" hard suction hose, one hundred feet of one inch booster line, a fog nozzle for the booster line and a hydrant adapter to place upon this truck. This truck also has a 500 gallon tank of water. This 500 gallon tank added to our tank trucks gives us approximately 2100 gallons of water which can be delivered to a fire immediately.

We are also nearing completion on a drying tower at the rear of the fire station. This will enable us to give our hose better maintenance, thus increasing the life.

We would like to express our thanks to the people who have supported us with their donations and encouragement during 1967. We would also like to express our thanks to the Woodsville and Lisbon Fire Departments, which have helped us control our fires near their town lines.

The State of New Hampshire

To the Inhabitants of the School district in the town of Bath qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March, 1968, at 8 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appro-

priate the sum of \$1,000.00 to paint the Bath Village School.

10. To see if the district will vote to raise and appropriate the sum of \$5,200.00 for an additional teacher in the Bath Elementary School.
11. To see if the district will vote to raise and appropriate the sum of \$5,850.00 to tuition the Bath seventh and eighth grade students.
12. To see if the district will vote to create a cooperative school district planning committee consisting of three qualified voters of whom at least one shall be a member of the school board.
13. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
14. To see if the district will vote to authorize the application of any unanticipated income to expenses.
15. To transact any other business that may legally come before said meeting.

Given under our hands at said Bath this 5th day of February, 1968.

1967 - 1968

The problems that have been plaguing our neighbors in the city schools and suburbia are now seeping into our area.

Already we are commencing to feel the repercussions of teacher militancy in Northern New Hampshire. Our new breed of teachers are no longer satisfied with conditions as they now exist but want better working conditions, greater fringe benefits and **more money**. In order to receive these demands teachers are prepared to strike and suffer any consequences that may come about.

Needless to say, this type of thinking will have a terrific impact on our school budgets. We are bearing a heavy burden of paying the educational bill at the present time and any added costs will have to come from some other source than the property tax.

Another area that will produce added miseries for the Bath taxpayer is the Elementary School Guidelines recently published by the New Hampshire Department of Education. At present they are simply guidelines but inevitably will serve as standards in the near future.

How will this affect Bath? Facilities and pupil-teacher ratio, to name only two areas, would almost double our net budget for education.

We are facing some tremendous educational problems in the very near future. Parents and taxpayers must work together to solve them for the welfare of our children.

May I take this opportunity to thank the school board, teachers and taxpayers of Bath for their fine support during the past year.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

**SUPERVISORY UNION #23
REPORT OF SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during 1967-1968 will receive a salary of \$12,000.00, which is made up as follows: \$3,500.00 to be paid by the State Department of Education and \$8,500.00 prorated among the several school districts. Allowance of \$1,500.00 for travel within the Union is also prorated as stated above.

The table below shows the proration of salary and travel to each school district.

District	Salary	Travel
Bath	\$ 402.05	\$ 70.95
Benton	39.10	6.90
Haverhill	1,651.55	291.45
Lincoln-Woodstock	2,526.20	445.80
Monroe	1,479.85	261.15
Piermont	492.15	86.85
Woodsville	1,909.10	336.90

REPORT OF SCHOOL NURSE

1966 - 1967

Number of Pupils examined	69
Total School Visits	19
Number Home Visits	24
Symptoms of Defects	Corrections
Vision 7	6
Hearing 1	
Skin 1	1
Speech 1	1
Teeth 34	53
Number successfully vaccinated:	9
Communicable Diseases reported:	
Chicken Pox	1

All routine vision and hearing tests were completed. Vision tests are done in each grade and referrals made when any pupil fails this screening test. Hearing tests are given pupils in Grades 1, 4 and 8, plus all new pupils to the school. Other pupils are tested whenever requested by teachers or parents.

February 23, 1967. Mrs. Stark, Dental Hygienist from the Bureau of Dental Public Health, Concord, N.H., presented a special program in grades 1-8. Mrs. Stark used films, flannel graphs and other materials to demonstrate good dental hygiene.

The Crest Company again furnished special materials for grades 2 and 3.

Tetanus and Diphtheria Boosters were given in grades 1, 4 and 8, totaling 22.

January 30 to February 17, 1967, I attended a special workshop in Rehabilitation at Crotched Mountain Center, Greenfield, N.H. This course consisted of lectures, clinics and ward participation with children at the Center. There were over 100 children attending the school for the deaf. There were other special classes

for children being treated at the Center as well as classes for brain damaged children. This workshop provided valuable information in training physically and mentally handicapped children and adults.

Throughout the year I attended Staff Meetings at the White Mountain Community Services Center at Littleton, N.H.

June 28 and 29, I had the opportunity to attend a Mental Health Workshop at the Tower Inn in Jefferson, N.H. We had excellent speakers and hope this type of program becomes an annual one.

I want to thank Mr. Mullen, Mr. Savoy and his staff, parents and pupils for their interest and cooperation in the school health program throughout the year.

Respectfully submitted,

MRS. MURIEL LaMOTT
School Nurse

***Program of the White Mountains
Region Association 1967 (30th year)***

N.H.-Quebec Information Booth.

Originated and sponsored an information booth trailer at Ayer's Cliff, Quebec. This project sold New Hampshire to people leaving Expo '67.

Snow Research.

Originated and prepared a 100-page application for research of snow erosion problems at our ski areas.

Whitewater Racing.

Introduced for the first time in the north country whitewater canoe races through an Androscoggin Weekend in September.

Fall Foliage.

Posted for the 20th consecutive season our 500-miles of fall foliage tours.

Other Projects.

Supported the 4-H programs with awards.

Studied and promoted various east-west highway routes for the north country.

Researched the need and supported a new bus connection from Littleton to Colebrook.

Received and answered 9,000 inquiries from outsiders who wanted to spend money in the White Mountains Region.
